Business Plan
with a Coach or Mentor

- **No-brainer**

Step 7: Find the First Investors

Step 8:
Keep Going!
“No” comes first.
“Yes” comes at the end.

Step 10: **TEST** the conversion of your campaign

Visits x buyers % = \$\$\$

**To raise \$\$\$ with your current % conversion,
how many visits/leads do you need?**

Step 11:
Make sure you reach
your goal
BEFORE you start!

Thinking process before you start:

**“I raised \$10k by contacting 1000 persons.
If I contact 20000 persons, I will raise \$200k.”**

Backup Plan:

**“I already raised \$100k in 3 months
using 20% of my network.**

**So if I use 80% of my network in the next 6 months,
I have the potential to raise \$500k.”**

Step 12: 100% Focus

Raising \$200k+ through crowdfunding takes 9 months full time work.
Plus 100-500 working hours of assistants.

Step 13:

Engage the network of your network
